ADDITIONAL CLASS DESCRIPTIONS:

BOYS ONLY! DANCE CLASSES

Classes just for boys - No Girls Allowed!! "Bounding Boys" (ages 4-6) offers a creative, athletic experience while developing coordination, dance & motor skills, and rhythm through movement & music. "Athletic Boys Dance" (ages 7-11) offers a unique curriculum of dance training structured to develop strength, flexibility, and coordination along with the discipline, confidence, focus and drive that professional male dancers and athletes have. A variety of dance disciplines will be explored, including hip-hop, jazz, modern, ballet, tap, and African.

BEGINNING POINTE

Placement in pointe class is at the discretion of the Director. Pointe work is not a consideration until students are at least 11-12 years of age. Dancers must have had sufficient ballet training to properly strengthen necessary muscles and must also display significant strength & understanding of both ballet technique & body placement before working on pointe. Students must also be concurrently enrolled in a minimum of two Intermediate level ballet classes/week. Pointe work is hard & beginning pointe classes will be more demanding on the body and feet. Dedication on the part of the dancer to attend class, as well as the support of the dancer's family, is very important toward the success of dancing on pointe. Choosing to dance on pointe is a decision that should be taken seriously.

MODERN DANCE

Classes will focus on an eclectic blend of different styles of modern dance technique. Modern dance itself was first created as a rebellion against ballet and later became a fusion of new expressive ways of moving incorporating technical dance forms. Classes will incorporate technique with a more athletic style of movement including contract and release, fall and recovery, the fun of improvisation, and learning how to use the floor and space in many different ways. Expression and exploration are key elements that will be included.

COMPETITION DANCE TEAM SKILLS/PREP

This class concentrates on developing the fundamental, technical, and performance skills needed in preparation for competition precision dance teams, while striving to foster an appreciation for the hard work, dedication, teamwork, and passion it takes to be a member of a successful dance team. Styles may include pom, military, jazz, high kick, novelty, modern, lyrical, and hip-hop.

ADULT BALLET CLASSES

Adult ballet classes are offered in the beginner through intermediate levels. Anxious to learn to dance, or ready to pick up where you left off when you were a teenager? Grab those dance shoes and join us!
